

## Federal COVID-19 Funding Checklist for Health Systems

Current as of **July 16, 2021, 8:00 a.m. EDT**

**UPDATED INFORMATION IN RED**

This document outlines the major financial opportunities related to COVID-19 contained in the Consolidated Appropriations Act (P.L. 116-260) and the American Rescue Plan (P.L. 117-2). Funding from the previous COVID-19 relief bills enacted in 2020 is identified on our prior versions of the Federal Regulatory, Statutory COVID-19 Checklist for Health Systems. For additional information contact any of the following Strategic Health Care senior staff: [paul.lee@shcare.net](mailto:paul.lee@shcare.net); [devon.seibert-bailey@shcare.net](mailto:devon.seibert-bailey@shcare.net); [diane.turpin@shcare.net](mailto:diane.turpin@shcare.net); [david.introcaso@shcare.net](mailto:david.introcaso@shcare.net) or 202-266-2600.

### **OPEN APPLICATION PERIODS:**

more details in the chart below

The reporting portal for the Provider Relief Funds opened July 1. HRSA Reporting Technical Assistance Sessions are available to provide technical assistance on reporting requirements for PRF recipients and stakeholders:

- **Register: Wednesday, July 14, 3 p.m. ET**
- **Register: Tuesday, July 20, 3 p.m. ET**

COVID-19 Coverage Assistance Fund (CAF) – Providers may apply for reimbursement for administering vaccines to patients enrolled in health plans that do not cover vaccines or cover them with patient cost sharing. Click [here](#) for more details and see chart below.

Eligible consumers (such as patients with telehealth needs) may apply for the Emergency Broadband Benefit program beginning on May 12, 2021. Click [here](#) for details, [here](#) for a fact sheet. The program ends when the fund runs out of money or six months after the PHE ends, whichever is sooner.

**For the Consolidated Appropriations Act** – click [here](#); click [here](#) for the SHC summary. This Act also extends the deadline to December 31, 2021 for state and local governments to spend funding from the Coronavirus Aid, Relief, and Economic Security (CARES) Act Coronavirus Relief Fund.

In addition to the itemized health care funding in the chart below, state and local governments will receive the following amounts which may ultimately flow to providers:

- \$350 billion to help states, counties, cities and tribal governments cover increased expenditures, replenish lost revenue and mitigate economic harm from the COVID-19 pandemic;
  - Funds may be used to cover costs incurred by December 31, 2024;
  - Funds to be distributed in 2 tranches, with 50% to be delivered no later than 60 days from enactment (March 11, 2021), and the remainder no earlier than 1 year later;
  - States have to distribute funds to smaller towns within 30 days of receiving a payment from the department or pay back any undistributed funds;
- \$195.3 billion to states and the District of Columbia:
  - \$25.5 billion equally divided to provide each state a minimum of \$500 million;
  - \$169 billion allocated based on the states' share of unemployed workers over a 3-month period from October - December 2020.
- \$130.2 billion to local governments
  - \$65.1 billion for counties
  - \$45.6 billion for metropolitan cities
  - \$19.5 billion for towns with fewer than 50,000 people
- \$4.5 billion to US territories
- \$20 billion to tribal governments
- \$10 billion for a Coronavirus Capital Projects Fund to carry out projects to support work, education and health monitoring, including remote options, in response to the PHE. Click [here](#) for more details. Treasury will issue more guidance before the application period opens this summer.
- The Treasury Department portal for state and local governments to request funding is now open. Click [here](#) for the website, [here](#) for the Fact Sheet and click [here](#) for FAQs updated 6/24. Click [here](#) for the final allocations for state, [here](#) for counties and [here](#) for metropolitan cities. Click [here](#) to see if your state receives the funding in one or two tranches. Click [here](#) for the Interim Final Rule – public health uses are discussed on page 10. The non-inclusive list of permissible uses includes COVID-19 mitigation and prevention; medical expenses, behavioral health care, public health and safety staff, improvements to design and execution of health and public health programs and addressing disparities in public health outcomes. In addition to responding to the public health emergency and its negative economic impacts funds may be used to provide premium pay to essential workers; to provide government services to the extent of eligible governments' revenue losses; and to make necessary water, sewer and broadband infrastructure investments. Click [here](#) for a quick reference guide on the allowable uses of the funds.

- States are eligible for a temporary 10 percentage point increase to the FMAP for certain Medicaid home and community-based services (HCBS) from April 1, 2021 through March 31, 2022. States must meet certain program eligibility requirements defined in the guidance. Click [here](#) for the press release and [here](#) for the guidance.
- **\$20 million in funding to support State-based health care marketplaces – states can apply for funds by July 20 to help modernize or update their systems, programs, or technology to comply with federal Marketplace requirements. Click [here](#) for the press release.**
